

Barkology dog Park Rules

1. Dogs must be friendly and well socialized to hang out at Barkology. We are a high volume, busy dog hangout. Most dog parks have acres of space and only a handful of dogs- lots of room to spread out. Our place, even though it is 9,000 square feet, is considerably smaller than your average dog park and is much, much more populated. Dogs here need to be comfortable being in big groups with all kinds of sizes, breeds, energies.
2. If your pup displays signs of aggression (yes, including fear aggression), anti-social behaviors, or we believe he/she is at risk of starting a dog fight, you will be asked to leave to maintain the safety of our space and for the wellbeing of your dog. No refunds will be issued if you are asked to leave due to a behavioral issue.
3. Dogs must be licensed and up to date on Rabies, Distemper, and Bordetella.
4. No Female dogs in Heat and unneutered males must be watched closely.
5. Puppies must be at least 4 months of age or have completed all puppy shots to enter.
6. No persistent, antagonistic barking or frequent humping will be tolerated as both can cause dog fights and are generally annoying to our human guests. If your dog behaves in this manner, you will be asked to leave. No refunds will be issued if you are asked to leave due to a behavioral issue.
7. No outside food allowed
8. No children under the age of 12, ages 12-18 must be accompanied by an adult.
9. No spike prong or pinch collars.
